

The EMBO Journal

LICENCE TO PUBLISH (EMBO OPEN)

Dear author,

We need your written permission before proceeding to publish your accepted article in The EMBO Journal. Please read this form carefully and, if you are in agreement with its terms, complete the appropriate sections and sign it. Please scan and email a copy of the file along with the EMBO Open payment form (which can be found below) to contact@embojournal.org. Alternatively, you may send the forms via fax. The Journal office's fax number is 00 49 6221 8891 240.

Please note that if you do not intend for your article to be published under the open access model you should complete a regular Licence to Publish form which can be accessed via the instructions for authors.

AUTHORS RIGHTS

Ownership of copyright remains with the Authors, and provided that, when reproducing the Contribution or extracts from it, they acknowledge first and reference publication in the Journal. Authors also retain the following non-exclusive rights:

- To reproduce the Contribution in whole or in part in any printed volume (book or thesis) of which they are the author(s).
- They and any academic institution where they work at the time may reproduce the Contribution for the purpose of course teaching.
- To post a copy of the Contribution as accepted for publication after peer review (in Word or Tex format) on the Authors' own web site or institutional repository or the Author's funding body's archive, after publication of the printed or online edition of the Journal, provided that they also give a hyperlink from the Contribution to the Journal's web site.
- To reuse figures or tables created by them and contained in the Contribution in other works created by them.

USERS RIGHTS: SUMMARY OF CREATIVE COMMONS LICENCES

CREATIVE COMMONS ATTRIBUTION-NON-COMMERCIAL-SHAREALIKE 3.0 LICENCE

(Read full legal code at <http://creativecommons.org/licenses/by-nc-sa/3.0/legalcode>)

Users are free to share (copy, distribute and transmit) and remix (adapt) the contribution under the following conditions:

- **Attribution.** Users must attribute the contribution in the manner specified by the author or licensor (but not in any way that suggests that they or their use of the contribution is endorsed by the author or licensor).
- **Noncommercial.** Users may not use this work for commercial purposes.
- **Share Alike.** If users alter, transform, or build upon this work, they may distribute the resulting work only under the same or similar license to this one.

Additionally, the following terms hold:

- For any reuse or distribution, users must make clear to others the license terms of this work, preferably using a link to the Creative commons webpage (<http://creativecommons.org/licenses/>)
- Any of the above conditions can be waived if users get permission from the copyright holder.

CREATIVE COMMONS ATTRIBUTION-NONCOMMERCIAL-NODERIVS 3.0 LICENCE

(Read full legal code at <http://creativecommons.org/licenses/by-nc-nd/3.0/legalcode>)

Users are free to share (copy, distribute and transmit) the contribution under the following conditions:

- **Attribution.** Users must attribute the contribution in the manner specified by the author or licensor (but not in any way that suggests that they or their use of the contribution is endorsed by the author or licensor).
- **Non-commercial.** Users may not use this contribution for commercial purposes.
- **No derivative works.** Users may not alter, transform, or build upon this work.
- Neither Creative Commons Licence impairs or restricts the author's moral rights.

USE OF PRE-PRINTS AND POST-PRINTS

Authors are entitled to post a copy of the contribution as accepted for publication after peer review (in Word or Tex format) on their own web site or institutional repository or the Author's funding body's archive, provided that they also give a hyperlink from the Contribution to the Journal's web site.

ARCHIVING AND DEPOSITION IN PUBLICLY ACCESSIBLE REPOSITORIES

Papers published under **EMBO Open** are deposited in PubMed Central at the time of publication. This content is thus immediately available from PubMed Central itself, or from one of the international mirrors of this archive.
